AGENDA

1. Call to order.
2. New business: Presentation by the Office of changes to its proposed rules published on July 14, 2015, relating to registration and notice-filing requirements for entities regulated under Chapter 517, Florida Statutes.

The Office proposes to make a number of clarifying changes to its proposed rules, including:

- Changes to provisions to clarify that direct owners, principals, or indirect owners required to be reported on registration forms who are not currently registered in Florida shall comply with fingerprinting requirements. Currently some provisions do not specify “in Florida.”

- Removal of provisions that are not applicable to certain registration/notice-filing types.

Additional changes to the proposed rules are expected to be made in response to comments by the Joint Administrative Procedures Committee.

3. Public comments to the proposed rulemaking.
4. Meeting adjourned.
